Central Developments, in partnership with CSi rentals, make investment easy. We offer our investors the option of a turnkey rental placement and management service. The rental demand in Midrand is very high and Waterfall is a popular suburb. In addition to the high rental demand, excellent capital growth is likely due to the development's perfect location in a desirable and growing area.

PURCHASING PROCESS

1 Select your unit

Based on your needs and price range, we'll help you to select the best unit. In certain instances you can reserve a unit for a maximum period of 24 hours.

2 Sign the agreement of sale and provide all FICA and supporting documents

FICA documents include a copy of your ID, proof of residence, and your tax number on a SARS letterhead. Supporting documents include your last 3 months' payslips and your last 3 months' bank statements.

3 Securing deposit

You must pay a R20 000 cash securing deposit to the conveyancer when you sign the Agreement of Sale. The conveyancer holds your deposit in trust until transfer. You earn the interest on the deposit until transfer. Although we only require a R20 000 securing deposit, the banks may insist on a bigger deposit.

4 Balance of purchase price

In addition to the deposit payable, you will have to provide guarantees for the balance of the purchase price within 30 days of signing the agreement of sale.

There are various types of guarantees:

- 1. Payment in full.** Payment of the full amount into the conveyancer's trust account. You earn interest on those funds until transfer.
- 2. Bank guarantee.** Your bank reserves your funds for the purchase and provides a guarantee for the purchase amount. As account holder, you continue to earn interest on your funds until it is paid over upon transfer for the purchase of the unit.
- 3. Home loan.** An approved home loan by a major bank is regarded as a guarantee.

How much do I qualify for?

Monthly
repayment
amount

30%
of combined
gross income

To qualify for a home loan, the bank's lending criteria dictates that the monthly repayment amount may not exceed 30% of your combined gross income.

Banks should approve your loan if:

- Your income and employment are consistent and can be verified.
- Your income is sufficient to cover your current expenses plus the new home loan repayment.
- Your credit record is clean and it shows that you conduct your finances well.

We can help with your application

With our in-house bond originator, EUF, we make your home loan application process as easy as possible. It's a free service to you where you simply correspond with one person who liaises with the banks on your behalf. All home loan applications are exclusively facilitated by EUF.

FREQUENTLY ASKED QUESTIONS

Q Can I purchase a property at Cascades Waterfall subject to sale of another current property?

No. Due to the uncertainty of how long it will take to sell your property and the selling conditions at Cascades Waterfall to deliver guarantees within 30 days, you cannot buy a unit subject to sale of another. However, if your property has already been sold successfully, the risk is less and timelines can be agreed upon. In this case, please discuss it in more detail with your sales consultant.

Q When do I start paying my home loan when I buy from the developer?

The full purchase price has to be secured by means of pre-approved finance or a cash guarantee from the bank within 30 days from when you signed for the property, but you will only start paying your home loan to the bank once the property registers at the deeds office. You can occupy the unit before it registers, in which case you will have to pay occupational rent from the date of occupation until registration.

Q What about transfer costs and other fees?

Transfer and bond registration costs and NHBRC registration fees are included because you are buying directly from the developer. Home loan clients might be charged a 'bond initiation' fee by the bank. This fee varies between the different banks but is normally around R6 000 and can be included in the bond term, if requested.

Q Can I make any exterior or interior changes to my unit?

When buying into a sectional-title development like Cascades Waterfall, exterior changes to your unit are not allowed. Interior cosmetic changes, on the other hand, are allowed. This will include cupboards, lights, and painting of walls. This must be discussed with your sales consultant.

Q What monthly costs are payable from date of registration?

a) Levies: monthly levies are payable to the body corporate to cover expenses incurred by the estate, such as security, exterior maintenance, structural insurance, garden services, and the management of the estate. Levies are calculated based on the size of the unit.

b) Rates and taxes: monthly rates and taxes are payable to the municipality. You have to open a municipal account after registration of your unit and the municipality will invoice you according to their property valuation.

c) Prepaid utilities: you can buy prepaid water and electricity through the prepaid vendor's application, through your banking application, or at most retail outlets. There are various energy efficiency elements built into each unit that help keep utility costs as low as possible.

Q What is occupational rent?

Buyers must pay occupational rent equally to 0,9% of the purchase price to the developer when they move into a unit before ownership of the property has legally transferred into their name. A specific move-in date will be provided by the developer and occupation must be taken on this date. Occupational rent is paid monthly in advance before the seventh of the month and is calculated from the day that the buyer moves into the property up to the date that the property registers in the buyer's name.

Q Is The Cascades Waterfall pet friendly?

Yes, animals are permitted in the estate.

Q Does Cascades Waterfall form part of the 99-year lease agreement in Waterfall?

No, Cascades Waterfall is a sectional-title development, granting you complete ownership of the property.

Q Does Cascades Waterfall have backup electricity?

Yes, the freestanding houses come standard with 5kW inverters. In the apartments, inverters are available as an optional extra add-on, at an additional cost.
